

Swapnil Kshirsagar

Solapur, Maharashtra / swapnilsk999@gmail.com / 9175066957

Summary

Aspiring Full Stack Developer eager to learn and specialize in the MERN stack. Passionate about crafting responsive and efficient web applications, and excited to contribute to dynamic projects while staying updated on the latest technologies.

Education

Bachelors in Computer Science

Sangmeshwar College, Solapur, Maharashtra
07/2022

- Graduated with 9.1 CGPA
-

Experience

Alma-Better(Remote)

Full-Stack Web Developer Trainee, Solapur, Maharashtra
02/2023 - Present

Developed and deployed feature-rich, responsive, full-stack web applications with authentication using the MERN stack, following industry best practices.

ACADEMIC PROJECTS:

Chit-Chat(Live chatting app)

- Built and deployed a responsive chatting app using React and Tailwind CSS for the front end, Node.js, Express.js, and MongoDB for the back end.
- Implemented JWT tokens for authentication and bcrypt for password hashing, ensuring secure user data handling.

Cryptocurrency Dashboard:

- A web application providing real-time cryptocurrency information, including global crypto statistics, detailed coin data, historical price data.
- React for frontend, incorporated various technologies including Chart.js and react-chartjs-2 for displaying historical price graphs, Material-UI for styling and components.
- Implemented responsive design practices, following a mobile-first approach for optimal user experience on various devices.

Get-YouTube-Subscriber:

- Node.js application with MongoDB for YouTube subscriber management.
 - Bootstrap-styled frontend with API endpoints for listing and adding subscribers.
 - Simple installation, local setup, and features like fetching details and refreshing the database with sample data.
-

Skills

Web Development, ReactJS, Javascript, MongoDB, Node.js, ExpressJS

Certificates

Full-Stack Web Development-Alma Better, Postman API Fundamentals-Postman
